Stay The Fuck Home

Verse 1

```
   E         F#        A    B
We know it's not that easy
          E             F#           A B
Sometimes nothing is the hardest thing to do
          E      F#      A      B
But we're all in this together
       A            B
We're all in this with you
```

CHORUS

```
            A
  Stay the fuck home
            E
  Stay the fuck home
            B                A                E
  Stay the fuck home, stay the fuck home, stay the fuck home
  2x
```

Verse 2

```
    E              F#        A         B
All the young things, all the old things
         E      F#       A        B
All the punkers and the pop-stars
         E         F#         A          B
All the cool kids, all the school kids
         A              B
All the singers and their guitars
```

CHORUS

Bridge

```
          C#m
If you're keeping the system goin'
          G#
If you're keeping the water flowin'
          A
If you're keeping the power runnin'
          E
If you're keeping the market open

          C#
If you're keeping the people safe
          G#
If you're keeping tomatoes growin'
          A
If you're keeping the trucks a rollin'
     E         B          F#
We thank you, we love you, stay safe.
Everybody else....
```

CHORUS

Verse 4

```
         E      F#          A        B
All the servers, all the conservers
         E      F#      A        B
All the students and the teachers
         E         F#       A        B
All the fighters, all the writers
     A            B
Politicians and the preachers
```

CHORUS 2x
